EDUCATION

Bachelor of Science

PSG College of Arts and Science

06/2015 - 05/2018

Courses

- Electronics

SKILLS

Javascript (ES6)

HTML5

CSS3/SASS

Tailwind CSS

Git

ReactJS (Hooks)

React Query/RTK Query

TypeScript

Redux Toolkit

Node JS

Express JS

TOOLS USED

Visual Studio Code (code editor)

POSTMAN

GIT

MongoDB Atlas

BACK-END KNOWLEDGE

REST API

- Knowledge on how to create a rest api with express js from scratch

Express with Mongo DB Atlas

- Ability to make CRUD interaction in MongoDB Atlas with mongoose

Testing the API with POSTMAN

- Testing the API Whether it works on functionalities like sort() select()

Authentication

- Adaptable knowledge on JWT with express for authentication

CERTIFICATIONS

JavaScript Algorithms and Data Structures from freeCodeCamp

Responsive Web Design from freeCodeCamp

JavaScript from GUVI Geek Networks

AWS Technical Essentials from AWS

FSD 101 from GUVI Geek Networks
